D2 Liaison The new board was installed at the March meeting. Danny Curtola is the president. Not much happened last year due to the pandemic. The Board is currently planning the Equipment Expo and are hoping to have some events this summer. D2 will reach out to agencies outside the Sacramento area to encourage them to participate in CPRS. It appears that many agencies in the northern part the state are going to Oregon for training. Bob noted that the outreach would be beneficial to the PQL. D2 intends to start monthly training for Administrators to get them involved with CPRS. Currently many administrators attend training offered by CARPD because it is more relevant to them.
